

# Gender Neutral Occupational Standards

## MOS Integrated Prior to 2013: MOS 3521 MOTOR VEHICLE OPERATOR

**Occupational Standard:** Operate a palletized loading system trailer

**Task:** Lift and connect/disconnect trailer drawbar (approximately 100 lbs.)

## MOS Integrated in FY2016: MOS 0811 FIELD ARTILLERY CANNONEER

**Occupational Standard:** Load 5x 155mm Artillery Rounds onto a M198 Howitzer Feed Tray

**Task:** Lift artillery round from deck to waist height and carry 5 meters from ammunition staging point to howitzer, then lift to place artillery round onto the feed/loading tray. Perform five (5) times to simulate a maximum rate of fire. Complete in 1 minute and 15 seconds
