

RFI Category and Number:

Women in Ships RFI #4

RFI Question:

In reviewing the information provided by the Navy, the Committee remains concerned about the Mineman rating/occupational specialty. Therefore, the Committee requests an additional written response from the Navy to address the following:

- a. The number of enlisted Minemen for the following years: 2007, 2012, and 2018, broken down by pay grade (E1-E9) and gender.
- b. The attrition rate for enlisted Minemen for the following years: 2007, 2012, and 2018, broken down by pay grade (E1-E9) and gender.
- c. The number of billets on ships that have Minemen billets, according to the ships manning document by gender, rank structure, and ship type.
