SUBJECT: Nominations for Appointment to the Defense Advisory Committee on Women in the Services

The Defense Advisory Committee on Women in the Services (DACOWITS), established in 1951, is an independent advisory committee that provides the Secretary of Defense with advice and recommendations on matters and policies relating to women in the Armed Forces.

Committee members serve as individuals, not as official representatives of any group or organization with which they may be affiliated. Members include prominent civilian women and men from academia, industry, public service, and other professions. Selection is on the basis of experience in the military or with women's-related workforce issues. Members are selected for a four-year term, serve without compensation, and perform a variety of duties, including visiting military installations annually, conducting a review and evaluation of current research on military women, and developing an annual report with recommendations on these issues for the Secretary of Defense and Service leadership. There are multiple positions to be filled in 2018.

I am soliciting nominations for appointment to DACOWITS and request you submit one or more nominees for consideration. Nomination packages should include the individual's resume, photo, and biography outlining his or her professional background and qualifications. Please forward your electronic nomination(s) no later than April 20, 2018, directly to the DACOWITS office via e-mail to: [jessica.c.myers4.civ@mail.mil](mailto:jessica.c.myers4.civ@mail.mil). Should you have any questions, please do not hesitate to contact Ms. Jessica Myers, DACOWITS Deputy Director, at (703) 693-9213.
