Family Care Plan (FCP) cont.

➤ Current Activities:

- MCO 1740.13C (Family Care Plans) dtd 25 Mar 2013 outlines the use of the FCP to plan for contingencies in the care and support of dependent(s)
- Functional Area Checklist #1740 provides for Inspector General of the Marine Corps (IGMC) oversight to O-5 and above commands
- Marine Corps Family Team Building provides FCP workshops to support commands, service members and families in the development and use of the FCP
- FCP use in USMC Children & Youth Programs (CYP)
 - With the release of MCO 1710.30 (Child and Youth Programs) dtd 5 Aug 2015, all reference to CYP maintaining family care plans was eliminated from policy. CYP requires all patrons to have on file at least two emergency contacts for their participating child(ren). These contacts are updated annually.
