- Career Intentions Survey

Maternity Leave Assessment

- **Objective**: Assess the impact on members from a personal and professional perspective, and a unit's operational readiness posture following completion of full maternity leave.
 - **Status**: Conducting interviews, beginning stages of analysis.
 - **Completion**: October 1, 2017
-

Career Intentions

- **Objective**: Gain a better understanding of the reasons Active duty members stay and leave the Service.
- **Status**: Voluntary sampling of Active Duty personnel; “Stayers” and “Leavers” currently being surveyed.
- **Completion**: On-going with an annual report analysis.
