Integration Progress (RFI #4)

Progress of Integration of Women into Coastal Riverine Force Previously Closed Positions

- The Coastal Riverine Force (Active and Reserve Component) currently has 618 Female Enlisted and 29 Female officers assigned.
- The three Active Component Squadrons, where the previously closed positions existed, currently have 109 of 1,403 Enlisted and 12 of 93 Officer females assigned (for a total of 121 females assigned).
- Reserve Component Squadrons never had restricted billets.
- Eight of those females have completed at least one of the Riverine Training Courses and are currently assigned to positions that were previously closed.
- The assignment of personnel to positions within the Squadrons is based on the needs of the squadron (vacant positions) and previous experience, without regard to gender, at the time of a Sailor's arrival.
